

## Training Materials

If you've ever had to run a workshop on your campus or for your organization, you know that having good curriculum can make the workshop much easier to plan and facilitate. We've compiled a bunch of sources for training curriculum, some provided free online and some that must be purchased. Take a look and find a workshop to meet your needs!

True Colors: The International and Domestic Consequences of War  
API Coalition Against War (APICAW), Free

Organizing and Movement-Building / Youth Organizing for Community Power  
School of Unity and Liberation (SOUL), Free

Neoliberalism in our Communities  
School of Unity and Liberation (SOUL), Free
